O R D E R

On January 3, 1994, the Commission received an application from South Graves County Water District ("South Graves Water") requesting a Certificate of Public Convenience and Necessity, approval of financing, and an adjustment of rates. In its filing, South Graves Water requested a deviation from the requirements of 807 KAR 5:001, Section 6(9).

807 KAR 5:001, Section 6(9), requires the submission of a detailed income statement and balance sheet for the 12-month period ending not more than 90 days prior to the date of the application. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to review adequately South Graves Water's filing. Therefore, its request for a deviation from the above-cited regulation is granted.

IT IS THEREFORE ORDERED that South Graves Water's request for a deviation from the requirements of 807 KAR 5:001, Section 6(9), is hereby granted.

Done at Frankfort, Kentucky, this 13th day of January, 1994.
